## Description of Normal Stock

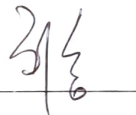

1. Artist mints NFT stocks including stake of the artist' s music revenue for the song 'You' by JUSTHIS published in 16 November 2021, and it' s legally valid until the music source gets timed out legally in Korea. NFTs exclude copyright and right to master the song.
2. The owners of each piece of Normal Stock NFTs will receive dividends for 1% of the artist' s music revenue. Developer has full authority in paying dividends to owners' ETH wallets.
3. When the owners re-sell them, the transferred normal stocks include stake rights of artist' s music revenue as well.

Artist and Developer agree and confirm to mint 40 Normal Stock NFTs as described above.
