

Agreement

Description of Rare Stock

1. Artist mints NFT stocks including stake of the artist' s music revenue for the song 'You' by JUSTHIS published in 16 November 2021, and it' s legally valid until the music source gets timed out legally in Korea. NFTs exclude copyright and right to master the song.
2. The owner of Rare Stock NFT will receive dividend for 60% of artist' s music revenue. Developer has full authority in paying dividends to owner' s ETH wallet.
3. The first owner of rare stock gets opportunity to join the official music video of the next song by JUSTHIS. When the first owner re-sells it, the transferred rare stock includes stake right of artist' s music revenue but excludes M/V opportunity which is just for the first owner.

Artist and Developer agree and confirm to mint one Rare Stock NFT as described above.
